Dear High School Free Life,

Hi! How are you doing? The child says she lives along with her daddy Juan Carlos, her mom Esther and with her siblings Frailin, Jean Carlos and Jesus. She says she likes to eat rice and meat as well as corn flakes and milk and juice, too. She also tells us that her favorite sport is jumping the rope and playing the toy house. She asks-What do you like to eat? What is your favorite sport? Carla says her favorite color is blue. What color do you like? The child says she thanks you for you have chosen her among so many children. She asks you to pray for her and her family and she says she will pray for you, so God will care for you. Carla says bye with kisses, Berly Vasquez, Program's Secretary, on Carla Merlin's behalf.
